THE DOME

red shifted diaristic needs cupid
-ity marvels in a ring(ed) universe

tower all of fixed light new mon-
ument *griefs* un-livable sky / line

lift as central concern the mass trans-
it bent-in air drains _ slow ricochet

Ø

'a' stationary orbit less golden-god con-
cept more implacable / in / ertia *refrain*

'jewels in the doorways glow' death-de
-fied speech reversals latter day aperture

seen w / in a meta / screen sun shot & ladder
-trucks the block cordoned generator 'up there'

blade set at right angle grounds / sight-
work it real good / inferred universal(isms)

my tender heart such muscle mania *felt-*
up in the air divinations new / borne pulsar

that will find their exact points of connecting
forged silica perhaps celestial give-a-ways

parity v. paurosia screened *poltergeist* en-
trances subtracted stress- allowed time-lapse

sky-speak / speak 'n' say easy pre senti-
ment mental phenomena *listing its contents*

could cover grounds gloss over parti-
colored aerial povs 'so pretty' post-*ex situ*

solidus light like non-restrictive sense
organs *which* replaced as *p of n r*

Ø

dragged sound : *house* or *heaven's* on
fire inside hands balancing their ends

not pierced perfection repurposed o m
g forsaken Voyager's slow burial updates

what stressed leather cells cure to
mask penumbra infinite blackonblack

...risen! in / deed blank sweepstakes winner thin
rim of Mercury gated communities *obliging*

Ø

fortunes favored bold smoke of electrons in-
credible *egg's diagram* - specs en / closed -

weak milk of galactic kindness dried to dri
-ed up bed or bet its *archeological gesture*

boiler / plate tectonics a brittle revised atmo-
sphere *universal* - less austerity measures

where the time goes tied-up luddite moves
energy provider quoting non-equi_vocations

a space to set our cylindrical calendar
year distends doorway framing dark matter

calculations (flux) pass past-errant drums as / if
struck thunders perfect mis / heard prayerscape

w / in those port / holes openings held rapture
-d tinsel co-ordinates mapping a party line

a mass disengagement ex / o / spheric de-
bris fallen revelations / metals legacy building

threshold moment radioed back find-
ings *find me* dispersed cells & solar wind

sun-spots connectivity (*connect the*) tongues
dulled semaphore shorting low- voltage lisps

Ø

cold comfort less Virgos fleece of ice
chest compaction spooling carbon ropes

font of no telling what collapsed
gravity / the situation *given* unravels

chondritic & a measure of eccentricity
in tensed elbows - *I get lifted* - up

lost child-at-heart rate our gracious time
trials / hyperbolic (chamber) music

in the dark guidance system or iron lungs
relay / re / mind me sum older progressions

game theories of ritual movement 1st to up
-grade periodic *elements* born *in the core*

night light mannered obsolescence tiny
bites in the sky like choices un / evolved

up & *further in* the green rust belt arcs alien
machinery loosed * systems of dis / repair

Ø

total revision / re / call caustic waves not break-
ing re: red / blue prints / specks, self contained

when given light years of industry this expansion plans *hypnogogia* keys to tha' kingdom

smokes erotism exhaust seeding cloud-seeded - *Enceladus* - some opaque salvè shit

top 40 love 's stock horizon monolith piti-
less redress *can't touch this* + webs of guitar

embedded carbon in the narrative fetishi-
zing more silence *démodé* / made *contact*
